### *Major artist finds a home in Claryville*

Manhattan attorney and Claryville resident Frank Nicoletti officially opened his new Claryville Art Center last Saturday, hosting a grand opening at the 1471 Denning Road property. The opening doubled as a retrospective of the works of world renowned artist and close friend, Alexander Kaletski. Pic-

tured above is one of Kaletski's art installments, his largest ever, called "Paper Balls" – completed by the artist in 1996. The assemblage is comprised of thousands of newspaper clippings, embossed by the artist on panels of cardboard, a medium popular with Kaletski.
